

REOPENING PLAN

2020-2021 SCHOOL Year

Overview

- School Starts August 12, 2020
- All K-6 students in the building everyday.
- Jr-Sr High operating on a blended schedule
- Digital option will be available for families that are concerned about sending students back to school.
- Masks encouraged, but not required.
- All athletics are scheduled to go on, as planned.

Decision Making Model Based on Level of COVID-19 Spread

Level of Spread	Substantial Spread (Plan C)	Minimal or Moderate Spread (Plan B)	Low Spread (Plan A)
Instructional Model	eLearning until Community Spread decreases and then transition back to the Hybrid RED/BLUE Schedule with eLearning	<p>Facilities AND buses at 50% occupation to promote social distancing and reduce the use of high touch surfaces</p> <p>All RESC STUDENTS <u>Hybrid Schedule - RED/BLUE Schedule</u> Students meet on an alternating schedule using a combination of eLearning and in person instruction.</p> <p>Schedule is: Monday - Blue Groups in Person Red Groups eLearning Tuesday - Blue Groups in Person Red Groups eLearning Wednesday - eLearning for all students (Extensive disinfecting will occur) Thursday - Blue Groups eLearning Red Groups in Person Friday - Blue Groups eLearning Red Groups in Person</p> <p style="text-align: center;">-or-</p> <p>100% eLearning option available for students/families that do not feel safe or comfortable returning to the traditional learning (brick and mortar) or for students who are high risk</p>	<p>North Side Elementary Traditional Learning (brick and mortar) 100% of students attend traditional school every day. Students will remain in their classroom cohort throughout the school day.</p> <p>Union City Jr/Sr High School Hybrid Schedule Students will meet on an alternating schedule using a combination of eLearning and in person instruction.</p> <p>Example: Red Schedule - Meets Monday, Tuesday, and Wednesday. eLearning on Thursday and Friday</p> <p>Blue Schedule - Meets in person on Thursday, and Friday. eLearning on Monday Tuesday and Wednesday</p> <p>Schedule flips each week.</p> <p style="text-align: center;">-or-</p> <p>100% eLearning option available for students/families that do not feel safe or comfortable returning to the traditional learning (brick and mortar) or for students who are high risk</p>

As Randolph Eastern Schools work closely with the Indiana Department of Education, our State and County Health Department officials, community, families, and teachers, we will continue to develop plans that consider all aspects of how the community might be affected by the pandemic. Models are flexible and able to be adjusted depending on local conditions. No matter the instructional model in use, Randolph Eastern will strive to offer the best academic experience for our students while keeping our safety in mind.

Screening - Exclusion - Reporting

Current Statistics for Randolph County	Source: https://www.coronavirus.in.gov/2393.htm
Parent Screening Measures before a child leaves home (keep child home if one or more symptoms not otherwise explained):	A fever of 100.0° F or greater • Cough • Shortness of breath or difficulty breathing • Chills • Repeated shaking with chills • Muscle pain • Headache • Sore throat • New loss of taste or smell A child (or employee) should stay home from school if they test positive for COVID-19 or exhibit <u>one or more of the symptoms</u> of COVID-19 listed above based on CDC Guidance that is not otherwise explained. Parents call and report absences if remaining home for this reason.
Return to school after having one symptom above and <u>NO COVID 19 test</u>:	No fever for at least 72 hours (that is three full days of no fever without the use of medicine that reduces fevers); and • Other symptoms have improved (for example, when your cough or shortness of breath have improved); and • At least 10 calendar days have passed since your symptoms first appeared. • Any student, teacher, administrator or staff who is symptomatic for infection should stay home and consult their primary care provider or seek testing. The state website www.coronavirus.in.gov has a list of over 200 testing facilities, their location and hours of operation. This list is updated frequently.
Return to school after having one symptom above and testing negative for COVID 19:	Return when the fever has been gone for 72 hours without the use of medicine that reduces fevers or upon feeling better
Return to school after having one symptom above and testing POSITIVE for COVID 19 with symptoms:	First: Notify your school immediately of any positive test Persons who experienced symptoms and have been tested for COVID-19 may return to school if the following conditions are met: • The individual no longer has a fever (without the use medicine that reduces fevers); and • Other symptoms have improved (for example, when your cough or shortness of breath have improved); and • At least 10 calendar days since their test without symptoms; or • The individual has received two negative tests at least 24 hours apart.
Return to school after having one symptom above and testing POSITIVE for COVID 19 asymptomatic:	Persons who have not had symptoms but test positive for COVID-19 may return when they have gone <u>ten calendar days without symptoms</u> and <u>have been released by a healthcare provider</u> . Students may also return if they are approved to do so in writing by the student's health care provider.
If someone in your home has symptoms or is being tested for COVID 19:	Students and employees should remain home for 72 hours if someone in the household has COVID-19 symptoms or is being tested for COVID-19. Parents and employees notify the school if someone in your home has tested positive for COVID-19. If in the event of a positive case in the household, the student or employee shall self quarantine for 14 days.
If someone in your home has tested positive for COVID 19:	If an individual in one's home has COVID-19 or is isolated because of COVID-19, those in the household should also stay home for a minimum of two weeks. This could be longer if the student becomes symptomatic. Return to school after documented infection with COVID-19 should be directed by the individual's health care provider. Parents and employees notify the school if someone in your home has tested positive for COVID-19.

KEYS TO OUR SUCCESS

Families need to
be patient &
flexible....
